

Vehicle Transposition *For the Way Home!*

MG 2011 is quickly approaching. Not only will it be a historic gathering of MG's, but it is going to be "An excellent MG road trip" all, starting with the cross-country drive of a life time...the Rallye to Reno.

To help make the decision easier to join in the Rallye to Reno (technically Ocean City MD to San Francisco CA) the organizers have arranged a great option for sending your MG or other classic home after the event. You can send it in the comfort and security of **Sancrest Specialized Transport**, centrally located in Billings MO.

The Details: For those who plan to have their tires touch the water in San Francisco, we have arranged for discounted transportation through Sancrest. Discounted rates are available for delivery to one of three designated drop-off locations,

- **Dayton OH**
- **Philadelphia PA**
- **Richmond VA**

Rates and terms for Group transport are as follows:*

Open top row is \$1050 (space permitting)
Open lower row is \$950 (space permitting)
50% non-refundable deposit is due by May 15th

- *Reservations for group shipping are on a *first come first serve basis*.
- *Enclosed shipping may be available for approximately \$700 additional.
- *Individual drop off to your door is available for additional cost.
- *Discounted rates to prearranged destinations are limited, early reservations required.
- * Terms and Conditions for vehicle transport in general are available for review at www.sancrest.com/auto-transportservices/terms-and-conditions.html

Reservations should be made by contacting Sancrest Specialized Transport directly. Be sure to mention "Rallye to Reno and/or MG 2011" to qualify for special rates and reserve your space by May 15, 2011. Telephone 417-744-2100 www.sancrest.com

Contingency Plan: While we all plan on a safe and mechanically uneventful trip, Sancrest has graciously agreed to apply your deposit to the cost of shipping your car home from any location in case of breakdown. Obviously, rates and shipping times vary, and you are welcome to inquire with Sancrest for details concerning what will hopefully not be needed; *"The Breakdown en route to Reno"* option.

Other Options: As a premier vehicle transportation company, Sancrest can help with arranging for transporting your MG to other locations throughout the country. The cost and shipping times vary depending upon destination. Please contact Sancrest with inquiries, but make sure to mention MG 2011 and the Rallye to Reno for preferred rates.

Live on the West Coast and want to have your car shipped to the east so that you can take part in all or part of the Rallye to Reno, Sancrest can help with that too. If there are enough enthusiastic MG owners interested, your MG may have plenty of company for a comfortable ride to Ocean City. Please contact David Glick (dmgbcc@gmail.com) by May 5 with your inquiry.

Important Contacts:

Bruce Woodson (*Rallye to Reno co-organizer, NAMGAR chairman, and owner of Mercer & Woodson Automotive*) <http://www.mercerandwoodson.com/> will be receiving cars in Richmond.

Pete Cosmides (*fellow Rallye to Reno participant and owner of Motor Car Garage*) will be <http://www.motorcar-garage.com/> receiving cars at his location, just outside of Philly.

Dave McCann (*Rallye to Reno co-organizer and long time dedicated MG Owner*) is currently making arraignments for the Dayton location (rallyetoreno@gmail.com)

David Glick (*Long time dedicated MG owner looking forward to the drive of a life time with friends and fellow MG enthusiast, and Rallye to Reno transportation committee member*) dmgbcc@gmail.com)
